

## Some of the Go-Carts through the years

Zoom... Zoom...

Hay look mom, no gas...

Cindy in Go-Cart Project 1982

The Mag-440 twin cylinder, What A Monster...

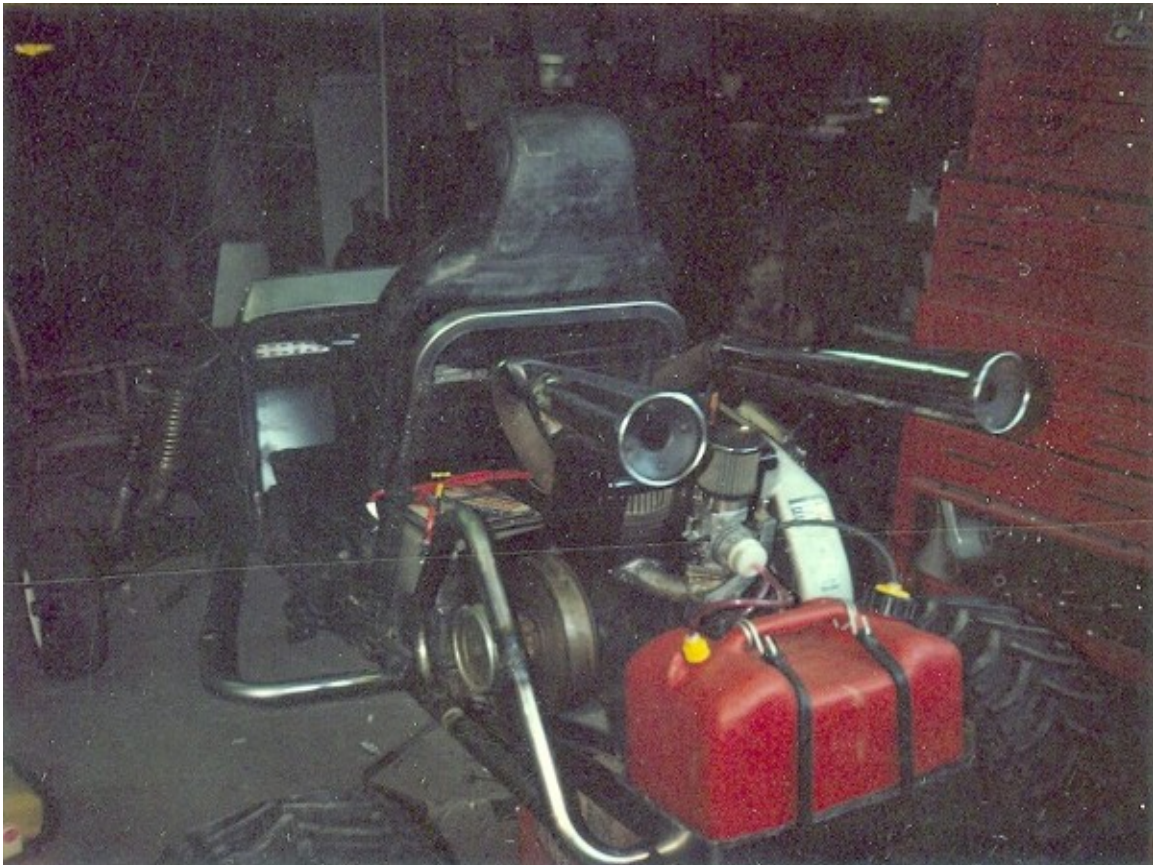

I just keep selling them so I had to build new ones

This one was most excellent

This was a Honda 250-R two stroke that I rebuilt with a 350 twin

Electric Start, Speedo & Tack Ripper Machine.
